

CLIFTON UPON DUNSMORE PARISH COUNCIL TRAINING POLICY

The Parish Council is committed to training its Clerk and Councillors. It recognises that well trained and informed people promote good practice within the Parish Council and increase and encourage community activities. As a voluntary organisation, the Parish Council values the time given by its Councillors to their community. This policy is aimed at maximising the rewards from that time by ensuring that its Councillors understand and enjoy the role they undertake in their community and are properly equipped for it.

1. The Parish Council will identify training needs in the light of the overall objectives of the Council and the requirements of the individual. This will be done by means of staff appraisals and formal and informal discussions as well as other methods as appropriate.
2. The Parish Council will encourage its Clerk and all of its Councillors to attend training meetings and pay expenses arising from such training.
3. The Contract of employment and job description given to the Clerk will include details of the Council's commitment to training. The Clerk is encouraged to maintain membership of the Society of Local Council Clerks, which provides ongoing training for its officer members.
4. The training offered to its Clerk will be no less than the minimum requirement of Continuous Professional Development required by the Institute of the Society of Local Council Clerks.
5. The Parish Council is committed to its Clerk being a member of the Society of Local Council Clerks recognising that it is a lead provider in training for officers. This commitment could in the future extend to the Clerk's membership of the Institute of Local Council membership and to the CPD required to maintain membership of the Institute.
6. The Parish Council will ensure that all of its new Councillors receive adequate training at the earliest opportunity in their term of office. Training will include matters relating to Audit and Financial management.
7. The Parish Council will evaluate and measure the impact and effectiveness of all training.
8. The Parish Council will maintain a library of current publications on books offering advice concerning all aspects of local government.
9. The Parish Council is committed to networking with other councils, as it sees this as an effective means of information gathering, and where possible to link in with training events held by other councils.
10. The Parish Council will ensure that training for both its Clerk and Councillors is adequately covered as an item in the annual budget; that membership fees for the Association and the Society are included in the budget.
11. The Parish Council will maintain a Training Record giving details of dates, titles and providers of development activity undertaken by employees and Councillors.
12. The Parish Council will review its training policy every 2 years.
